

A collection of canvases

Select from two sizes and four frame colors, each meticulously handcrafted with premium wood in a sleek and versatile modern-meets-classic design.

An art library for the ages

Explore, upload and display 30,000+ works of old art, new art, and everything in between with a Meural Membership (sold separately). Browse by museum, movement, artist and more.

Innovation meets inspiration

Easily select, change and control your favorite art with the wave of your hand, a tap of an app, or your voice with an Alexa device.

True realism

Our patented TrueArt Technology brings every brushstroke to life at every angle. A WiFi-connected 1080p HD display with anti-glare finish auto-adjusts backlighting for picture-perfect quality in any light conditions.

Portrait or landscape

Easily switch between vertical and horizontal. The Meural Canvas II automatically detects its orientation to perfectly frame the image. Add the optional Swivel Mount* to rotate the canvas with a simple turn. * Sold separately

Your art supports the next iconic artists

From our inception, Meural has been dedicated to empowering artists. We proudly give back 60% of all of the money we make on our art to the artists.
