
15-Hour Playtime

The wireless earbuds have a 120mAh lithium polymer battery and use Bluetooth 5.0, which minimizes power consumption and brings up to 15 hours of battery life.

IPX7 Waterproof

With an IPX7 waterproof rating, the running headphones are designed to endure and outlast your high intensity outdoor or indoor workout sessions in any weather conditions.

Noise Cancelling

Realtek's latest RCV technology ensures clear calls where your voice is heard clearly. Ergonomic design cuts out unwanted noise so that you can focus on what's important.

Stable Connection

Wireless headphones adopts advanced Bluetooth 5.0 and AFH technologies, which provide a more stable and reliable connection and give you a skip-free listening experience.

One Button Control

Get full control over your music, manage incoming and ongoing calls with a simple press of a button without pulling your phone from your pocket.

Comfortable Wearing

Built with craftsmanship and equipped with four different sizes of eartips to give a comfortable and secure fit even when you're exercising your hardest.
